

Social Innovation Day

Let's unite for stronger Sl...

7/11/2024

INSISST? WHY?

“We unite our strengths and expertise as an International Network for Social Innovation Scaling and Systemic transformation.

We insist on national and transnational cooperation to support & scale promising social innovation at a significant level, so that they can mainstream, scale and play their transformative role, their end game, resulting in systemic transformation.”

INSISST? WHO?

Finnish Institute for Health & Welfare (FI)

Rethink Ireland (IRL)

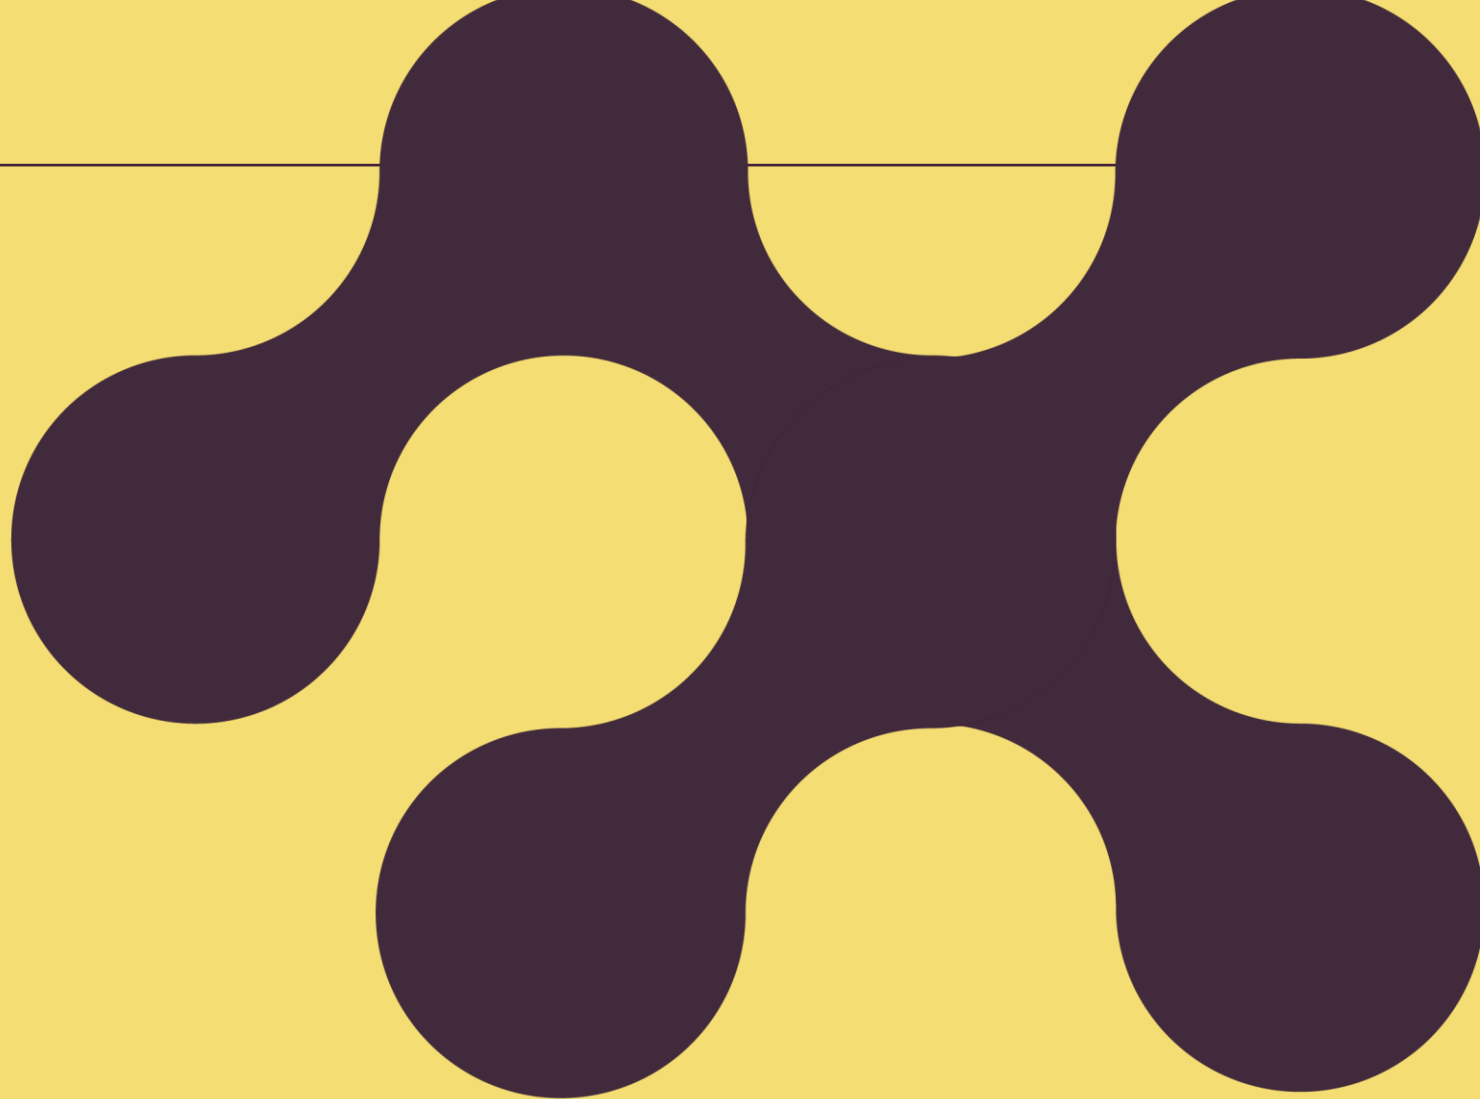

Genio (IRL)

Ministry of Labor and Social Affairs (CZ)

Shipyard Foundation (PL)

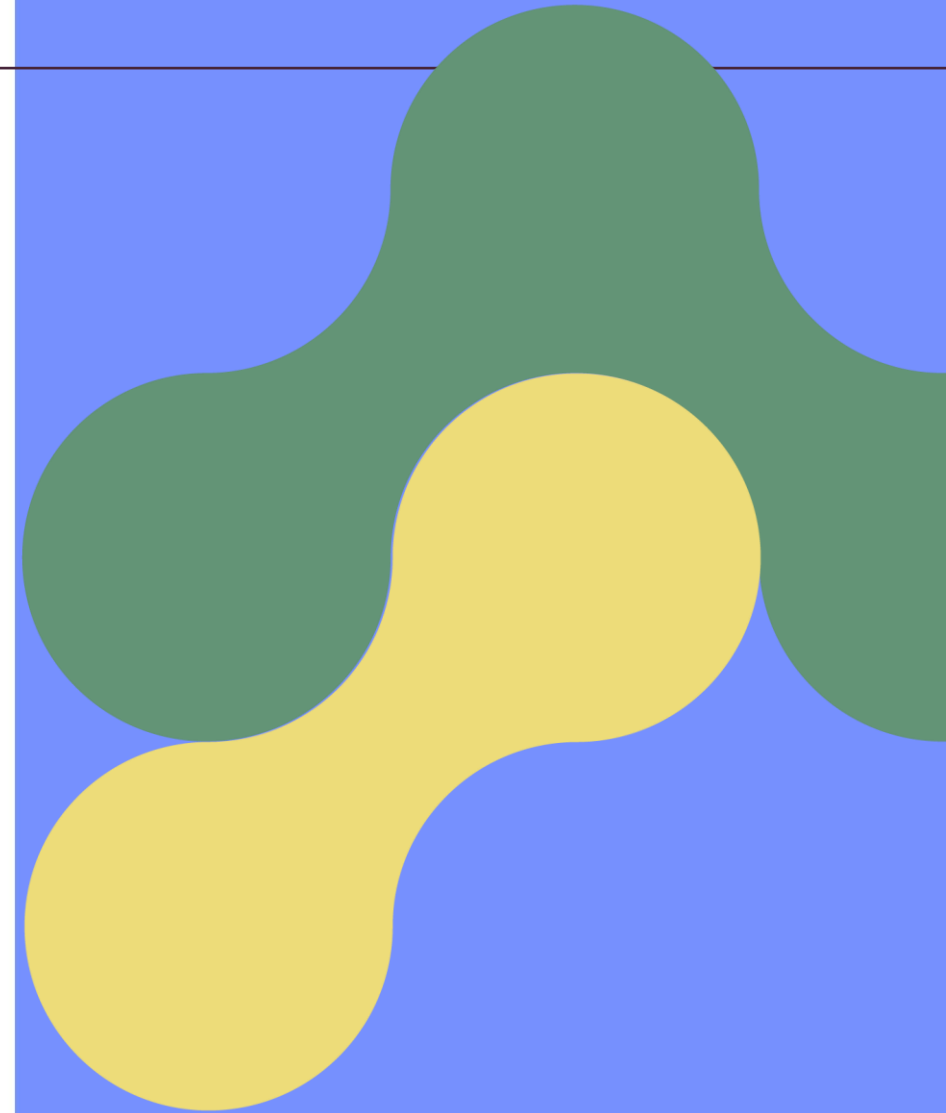

Social Innovation Academy (DK)

Social Innovation Factory (B)

Overall objectives

- Strengthen the position of SI-national competence centers in EU-member states.
- Strengthen the ecosystem support for SI in all corners and all levels of society with peer-learning and collaboration.
- Co-learning on support levers for SI: financial support, capacity building models & infrastructure for SI.
- Monitoring and reflexive evaluation on the development of SINCCs.
- Communication & dissemination nationally and internationally.

What happens at national level?

Digital infrastructure for SI support

Ecosystem building & development

Impact measurement of and for SI

Capacity building-models for SI

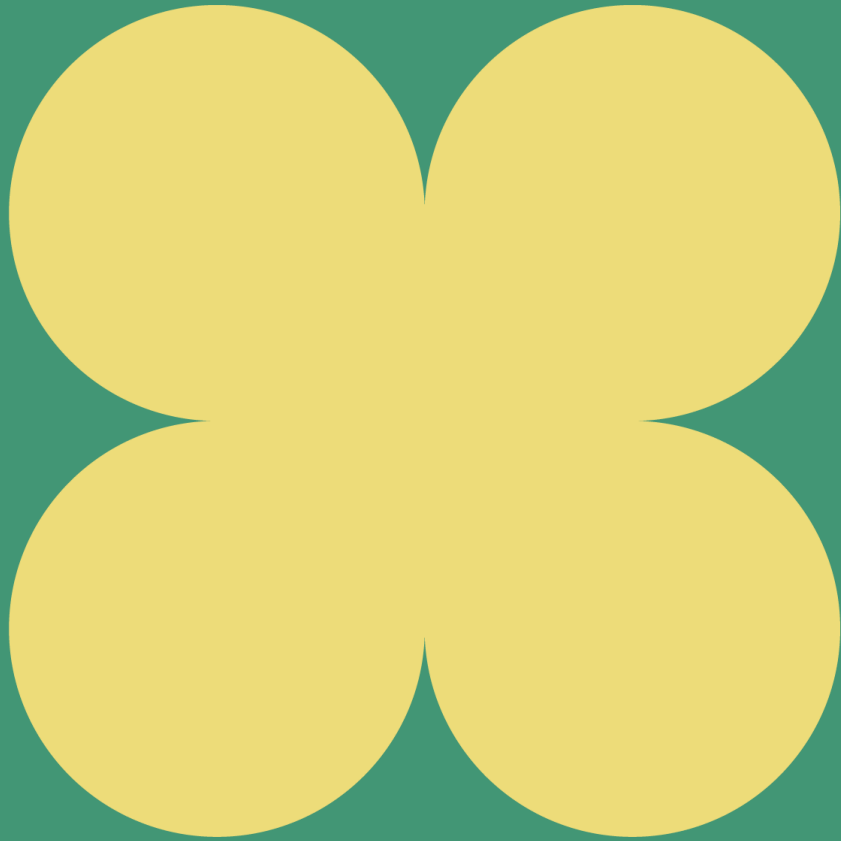

Collaboration with ESF MA

Innovative finance for SI

Scaling SI

...

Thank you!

international network
for social innovation scaling
and systemic transformation
